FROM TRAINING COMPLETION TO SKILL APPLICATION

4 moves that help learning **reach the job.**

Retrieve
Bring key knowledge back through spaced practice.

01

Practise
Give employees repeated chances to perform the skill.

02

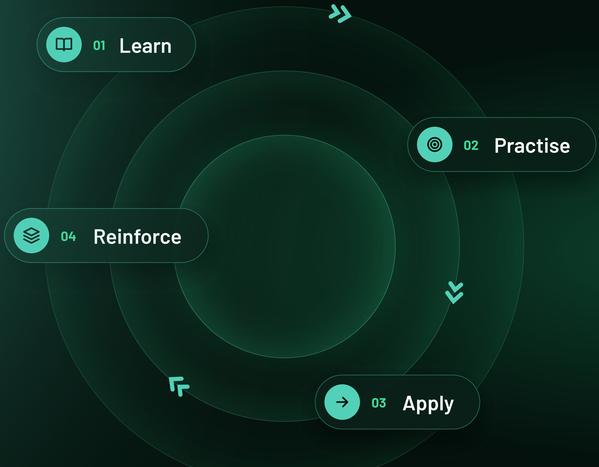

Apply
Connect practice directly to real workplace tasks.

03

Reinforce
Use managers, job aids, and point-of-need support.

04

The Learning Transfer Loop

How Ozemio Helps

Combine personalized learning, microlearning, performance support, and MIO.
